From Changi International Airport:

Our Singapore office is roughly 20 minutes away from Changi International Airport which is served by over 80 international carriers. You can either jump in a cab from the airport or, as Singapore has a fantastic public transport system, take the train into the City.

- If taking the train, the airport MRT Station is located at the basement of Terminals 2 and 3, accessible from the Arrival and Departure Halls through escalators and lifts.
- Board the train and transfer to a west bound train at Tanah Merah train station.
- Change at Paya Lebar to a south bound Circle Line train.
- Our nearest MRT station is Esplanade, around a 6 minute walk to the office.

From Esplanade MRT station:

- Turn left out of the station and walk northwest on Raffles Boulevard against the flow of the traffic. The tall white Civilian War Memorial will be on your left.

- At the first junction turn right and head down Beach Road where you'll see Raffles Hotel on your left.
- Turn left on Seah Street and after walking for about 200 metres our office is on the right, next to Entre-Nous Creperie.
